

SUNTORY HALL OPEN HOUSE 2024

Saturday April 6, 11:00 - 17:00

Presented by Suntory Hall

Come join us at Suntory Hall Open House!

This is a free event being held in conjunction with the ARK Hills Sakura (cherry blossoms) Festival. Young or old, classical music lover or first timer to Suntory Hall—we have a variety of concerts and participatory programmes for all to enjoy.

Main Hall

Suntory Hall opened in 1986 as Tokyo's first dedicated concert hall, with the concept of 'In pursuit of the world's most beautiful sound'. The Main Hall is specially noted for its superior acoustics and was the first concert hall in Japan to adopt the vineyard style, which Herbert von Karajan keenly advocated. In this style, seating surrounds the stage in terraced rows, allowing the musicians and audience members to share a common, immersive musical experience.
